Ref. - Rule 60(b)(6) Motion - Space Age Alarms, Inc. v. Board of Education of the White Plains City School District Michael J. Lynch and Alarm Specialists, Inc. : 07 CV-7606 (CLB)(MDF) ~~24~~
~~Circuit-Docket # 00-1763-ev~~

Dear Judge Bricant:

We represented the plaintiff-appellant in this matter before the trial Court. Unfortunately, I need an immediate response to the question posed as I am scheduled to be out of town beginning tomorrow and returning on July 8.

The question, followed by the reasons for the question is as follows. In order to clarify the deadline, would you kindly extend the date to July 25, 2008 to give us a date certain?

The attorneys for the defendants consent to this request.

This letter seeks clarification of the date by which we are to file our Rule 60(b) motion.

I enclose a copy of the Memo endorsed Order that Judge McMahon signed on June 12, 2008 on your behalf, was entered on June 13, 2008. We did not receive ECF notification until June 27, 2008.

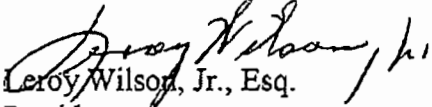

If our 15 business days ran from June 13 (when we did not know about the order), then our time expires tomorrow, July 3.

If our 15 business days ran from June 27 (when we received ECF notification), then our time runs on July 21, 2008. Rule 3 of the Procedures for Electronic Case filing seems to indicate that the June 27 date would control.

The clerk did not know the answer, hence this letter.

Thank you.

Respectfully yours,

Leroy Wilson, Jr., Esq.
President
